MESSAGE FROM HEAD OF DEPARTMENT
MANAGEMENT SCIENCES

The Department of Management Sciences, endowed with highly qualified faculty, diversity of programs, and breadth of offerings, inspires and enables you to discover new frontiers in knowledge. A meaningful learning experience in the form of quality teaching and in-depth research, excellent on-campus facilities, co-curricular and extra-curricular activities, student counseling and academic advising, and professional and personal grooming awaits you. The holistic environment and experiential learning will prepare you as a future business leader who initiates change, innovation, and growth through a collaborative approach to diverse perspectives, while creating a meaningful impact on the society.

The Department offers degree programs from undergraduate to PhD levels. All programs, integrating theory with practical experience, are quite challenging and competitive and offer a fine blend of the indigenous and international standards to let you have an edge and a competitive advantage in the current job market.

We strive for academic excellence in all dimensions of learning environment. Monitoring the domestic and global trends, we have designed innovative curricula and advanced infrastructure to meet expectations and professional standards of the corporate sector. To further your goals, we continually endeavor to offer new programs in executive education, higher education, and training series for our valued corporate stakeholders.

The Department welcomes you to join us as member of SZABIST family. Together we shall discover new horizons in our intellectual pursuits for sustained learning and on-going personal and professional development.
BS(A&F)

ZABIST offers a four-year BS(A&F) degree with specialization in Accounting and Finance. BS(A&F) program consists of (8 semesters) 46 courses (6 courses per semester) and a final project, with a total of 144 credit hours. Students are also required to complete a 6-week internship. Those who complete the BS(A&F) degree from SZABIST will get nine exemptions in ACCA papers F1 through F9. The maximum time limit to complete the BS(A&F) degree is seven years.

BBA

ZABIST offers a four-year (eight semesters) BBA degree program of 144 credit hours. For the BBA program, the students are required to complete 46 courses and a 6-credit Research/Business Project. The courses include 42 compulsory courses and 4 electives from Management, Marketing, Finance, or Supply Chain Management. To obtain the BBA degree, students have to complete 144 credit hours and an internship. The maximum time limit to complete the BBA degree is seven years. Those who complete the BBA degree from SZABIST will get exemption in ACCA papers F1, F2, F3 and F4. The program is in the process of being accredited by National Business Education Accreditation Council (NBEAC).

BBS

ZABIST offers a two-year BBS (Bachelor of Business Studies) degree program of 72 credit hours. For the BBS program, the students are required to complete 22 courses and a 6-credit Research Project. The courses include 19 compulsory courses and 3 electives. To obtain the BBS degree, the students have to complete 72 credit hours and an internship. The degree needs to be completed within four years.
MS

ZABIST offers the MS Degree (M.Phil. equivalent) Day and Evening Program in the fields of Management, Human Resource, Marketing, and Finance. MS can be completed in minimum 1.5 years after the four-year relevant Bachelors or a Masters degree. Eight courses and research work are required to graduate. Alternatively, six courses, six credits of research (Two Independent Research Studies) and a thesis can be done. Students may opt for two courses in lieu of research thesis (6 credit hours). A total of 30 credit hours must be completed. Additional courses may be required for non-management degree holders, depending upon past academic work. All MS students are required to clear GRE or GAT General Test with minimum 50% score.

Ph.D

ZABIST offers a PhD degree in Management Sciences that can be completed in minimum 3 years after a relevant management science MS degree. Eight courses and dissertation are required to graduate. A total of 54 credit hours must be completed. GRE (Subject)/GAT (Subject) score of minimum 60% is required to be submitted at the time of admission.
